

General information

The data portal of the Canton Thurgau is run by the company Opendatasoft (ODS) on behalf of the Office of Statistics of the Canton Thurgau, Office of Coordination for OGD. For further details on the collected information and the handling see ODS's [Privacy Policy](#). For details regarding cookies see ODS's [Cookies Policy](#).

Processing of personal data by the Office of Coordination for OGD

The Office of Coordination for OGD does not save any utilisation or personal data. Your user information and information about the use of the portal can only be accessed by the Office of Coordination for OGD and the company Opendatasoft. These data are exclusively used for the purpose of maintenance and improvement of the portal quality and not forwarded to any third parties.
